

EXHIBITOR PROSPECTUS

Extremity War Injuries XVI

Emerging Combat and Readiness Research

January 17-19, 2022

Mandarin Oriental, Washington, DC

Dear Exhibitor,

Since 2006, the Extremity War Injuries Symposiums have sought to identify the top orthopaedic research priorities for the wounded warrior and tactical athlete. The purpose of the EWI is to decide the areas of orthopaedic research that should be addressed to support the US Military, with translatable benefit to the civilian population. This strategic meeting is done in partnership with our congressional leadership who allocate these research funds. Each year this accounts for \$20-40 Mil in research funding with increasing attention being given to sports medicine as these are the most common injuries in our young military athletes. This is the largest source of orthopaedic research funding in the world with increasing attention paid to PTOA, orthobiologics, soft tissue injuries, etc.

We hope you will join us for another outstanding Scientific Program this coming January.

APPLICATION AND PAYMENT MUST BE RECEIVED BY December 17, 2021.

Showtime 30 Lunch or Brunch Presentation

In the heart of the EWI Meeting we are offering an opportunity for your company to demonstrate its product and services to a captive audience. Your company will have 30 minutes to communicate its message directly to attendees. This is not a CME event; this is a marketing opportunity for you!

How It Works

Showtime 30 takes place immediately following a Scientific Program presentation so that the maximum number of doctors are in attendance. A plated Lunch or Brunch is served to the attendees' tables and within 3 minutes your company's speaker is presenting.

Getting the Word Out

We will take care of all signage announcing your company at that day's presentation including: a flyer in the registrant meeting packets; noted in the meeting program app; and our moderators inform attendee of your presentation as well.

Cost

The Showtime 30 starts at \$17,500 for the concurrent presentation and moves up to \$25,000 for the exclusive Brunch or Lunch presentation. The EWI is covering the cost of the food, room rental fees, as well as the AV in the room!

Questions?

If you would like to discuss this opportunity in more detail please contact Cyndi Powers at 877-494-1778 or cpowers@datatrace.com.
